

# STREPLAS®

## White Melamine Faced Chipboard Panels

Streplas® is a collection of white melamine faced furniture grade chipboard panels, available ex-stock for quick delivery from all Falcon sites.

Streplas® is a versatile and cost-effective alternative to solid wood or MDF shelving, and is available in a variety of widths. All Streplas® panels are precision cut and edged on two long edges, to fit whatever shape or space is required.

**Available  
ex-stock  
for quick  
delivery**

### Features and Benefits

- Perfect for shelving projects
- White melamine coated on both faces
- Easy to clean, with a scratch, stain and heat resistant finish
- Panels are edged on the two longest edges only, to allow a final cut to required length
- Matching iron-on edging is available to provide a neat and professional finish
- Suitable for interior applications only
- Can be cut to size and fixed using chipboard screws
- Chain of Custody FSC® certified

### Panel Sizes

Thickness	Size
15mm	2440 x 152mm (6")
